

Dear InMotion clients,

We are in the process of putting our plans in place to reopen this spring and urge you to continue to check email and the Community Corner on our website (beinmotion.org) for additional updates. To keep everyone safe once we reopen, we will be implementing the following guidelines:

- **We are requiring that everyone coming into InMotion be vaccinated and wear a mask. If you have had a vaccine, you must wait 2 weeks after your final inoculation to attend onsite classes or assessments.**
- **No food will be allowed.**
- **Only people with proof of vaccination on file at InMotion will be able to participate in onsite classes. This includes a care provider, family member, etc.**
- **Upon entering, you will be asked to take your temperature using thermometers on the wall in the front entrance.**
- **Hand sanitizer dispensers are located in each classroom and throughout the building. The restrooms have soap and paper towels to wash your hands.**
- **We will be observing 6' distancing throughout the building.**

Below is information we would like you to act on now:

- **Please take a picture of your completed vaccine card on your phone and email it to: Drossman@beinmotion.org.**
- **If you prefer, you can mail a copy of the card to: Debbie Rossman, InMotion, 23905 Mercantile Road, Beachwood, OH 44122.**
- **Please email or send the copy of your vaccine card as soon as you can. **You will not be allowed to attend onsite classes without this information on file.****

What you will need to bring when you come to participate (see next page for equipment list):

1. **Your own water bottle with your name on the bottle. (per the Ohio Dept. of Health, we cannot use the drinking fountains at this time)**
2. **A bag with handles, marked with your full name on the outside of the bag, to hold your water bottle, equipment, personal items. During classes, this bag will remain in the coatroom.**
3. **On your first visit, you will receive your nametag. Please keep your nametag in your bag after class. You will no longer be able to keep your nametag at InMotion. The bags and equipment should be taken home each day and not left at InMotion.**
