We are excited to be participating in the 7th Annual Pals In Motion event on September 10.

The annual Pals In Motion event supports InMotion, a 501(c)(3) nonprofit organization whose mission is to help people with Parkinson's disease (PD) feel better every day. Funds raised from this event fund life-changing physical wellness, creative movement, arts, education, support and research programs to our Parkinson's community — all offered FREE OF CHARGE to people with PD and their care partners.

Please help InMotion fulfill their important mission by making a tax-deductible donation to our team.

I'd also love to have you join our team and help me fundraise for InMotion. Just click the register button at the top of the website, and select my team name when you're asked to join a team.
